School Overview

Cameron Downs State School is a small community oriented rural school that nurtures intellectual curiosity, courtesy and pride to allow students to achieve to their full potential. We foster community collaborative partnerships and an inclusive instructional program that enables all students to meet the challenges of the future with confidence and compassion. At Cameron Downs State School we value professionalism, respect, inclusiveness and excellence. The school's motto "Courtesy, Duty, Pride and Success" is lived and breathed each day by staff and students of Cameron Downs State School. This report provides a snapshot of academic, student and staff data for Cameron Downs State School for the 2016 school year and summarises our schools' progress and goals for 2016. In 2016 Investing for Success (I4S) funds were used to purchase additional human resources to assist the classroom teacher extend student learning in English and Mathematics.

Principal's Foreword

Introduction

School Progress towards its goals in 2016

In 2016, our continued priority as set out in our Annual Implementation Plan was to achieve improved learning outcomes in:

- Explicit teaching of English (writing and spelling) and Mathematics (fluency and problem solving).
- Continue implementation of Australian Curriculum – Focusing on Leading Quality Teaching and Learning strategies.
- Pre-Prep – focus on playgroup and eKindy
- Community involvement in Quadrennial School Review (QSR).

All priorities were implemented in 2016 and will continue to be a focus in 2017. The eKindy program will be replaced with participation in the Remote Kindy Pilot Program. Results of systematic testing of students' learning outcomes are very pleasing and show improvements in the areas of both English and Mathematics.

Future Outlook

Key priorities for 2017 are:

- 85 % of students achieve a C or higher in English, Maths and Science in every year level.

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2016:	Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2014	3	1	2		100%
2015*	5	2	3		100%
2016	6	2	4		100%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2016, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the Student Body

Overview

All students are from a rural background and live on surrounding cattle properties. Students attending Cameron Downs State School travel long distances to attend school every day. Parents transport their own children as there is no bus service available.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2014	2015*	2016
Prep – Year 3	3	5	6
Year 4 – Year 7			
Year 8 – Year 10			
Year 11 – Year 12			

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

Curriculum Delivery

Our Approach to Curriculum Delivery Our distinctive curriculum offerings

- Individualized Curriculum into the Classroom (C2C) curriculum plans
- LOTE (Japanese) is offered to Year 6 students via teleconference once a week
- Participation in the Hughenden Show and sporting events
- Annual Athletics and Swimming Carnival with Small Schools and St. Francis Catholic School
- Daily Literacy and Numeracy blocks.
- Learn to swim program in Terms 1 and 4.

Extra-curricular Activities

- Social Tennis Nights once a term
- Specialised Visitors: Chaplain (weekly visits) and travelling religion teacher (once a term)
- Specialist Staff: Guidance Officer.
- RAFS (Remote Area Family Services) playgroups, school based playgroup
- Scholastic Book Fair

How Information and Communication Technologies are used to Assist Learning

Cameron Downs State School provides access to computers for each student. Furthermore, we have 4 iPads which are used in conjunction with the desktops/laptops. These support the cohort in developing their computer based competencies and assists in their ability to gain computer skills. An interactive whiteboard is used in the classroom on a daily basis. Students are also provided with a range of other digital media equipment including digital cameras, colour printers, scanners and a data projector. All these are provided to develop and improve the student's skills through the continual use of information and communication equipment.

Internet programs such as *Mathletics*, IXL, Spelling-VocabularyCity, Sunshine Online, Busy Things and Reading Eggs are also utilised by students and staff on a regular basis and are used to evaluate and record everyday learning experiences.

Programs such as PowerPoint, Excel, Publisher, Photo Story and Word, and apps such as Book Creator, Popplet, and Quick Maths are utilised regularly to enhance and consolidate student learning outcomes. Students work with technology on a daily basis and are familiar with the operation of all media within the classroom context.

Social Climate

Overview

The local and wider community views the school as a supportive environment where all students feel safe and valued. Positive/appropriate behaviour is constant and there are few issues with bullying. The main goal of the school is to create an atmosphere that is welcoming and safe for all students, their families, staff and visitors. At present, we have a school Chaplain who visits the school and assists in the welfare and wellbeing of not only the students but also the local community. Once a term, a fly-in Religious Instructor visits the school.

The School Responsible Behaviour Plan for Students has been developed and is adhered to and referred to on a regular basis by students and staff. We are beginning to develop our Positive Behaviour for Learning Framework. Students are happy to attend school and this is reflected in the positive feedback that is provided from the families to staff. All students are involved and included in the developing of the school rules. These are displayed in the classroom and referred to when required.

Parent, Student and Staff Satisfaction

Performance measure			
Percentage of school staff who agree [#] that:	2014	2015	2016

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.
DW = Data withheld to ensure confidentiality.

Parent and community engagement

The involvement of parents in their child's learning at Cameron Downs State School is imperative to the positive and improved learning outcomes of the students. Some of the following are example of how the parents are involved with their child's education:

- Parents are actively involved in the school on a daily basis. The P&C holds regular meetings and attendance is always high.
- The P&C supports the school consistently and on a variety of levels, and successfully fundraises at different times of the year to promote our school.
- Report cards are issued each semester and they are followed up with parent and teacher interview where each student's progress is discussed.
- School newsletters are distributed to students, parents and the local/wider community on a monthly basis to inform them of the events and achievements of the whole school and individual students.
- Parades are held regularly and include celebrations of student's success.

Respectful relationships programs

Our focus at Cameron Downs State School is to develop students who are able to demonstrate appropriate, respectful and healthy relationships. We deliver respectful relationships education through the Australian Curriculum: Health and Physical Education. We reinforce our teaching with our School Responsible Behaviour Plan for Students and lessons taught by our school chaplain. We are continuing to develop our Positive Behaviour for Learning Framework.

'In Health and Physical Education, students develop the skills, knowledge, and understanding to strengthen their sense of self, and build and manage satisfying, respectful relationships. They learn to build on personal and community strengths and assets to enhance safety and wellbeing. Students critique and challenge assumptions and stereotypes. Students learn to navigate a range of health-related sources, services and organisations.'

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	0	0	0
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

Due to the fact that Cameron Downs State School is geographically located on a cattle station and is not serviced by Council waste collectors, students are unable to recycle waste material such as cardboard, glass and cans. To reduce our environmental footprint, we ensure that the air conditioners are only turned on at a particular time and are kept at a constant temperature to ensure their effectiveness. Lights are switched off before exiting the building at break times and all computers are left off when not in use.

Students at the school have a great understanding of the importance of reducing their environmental footprint and we are looking at other ways to continue this at the school. With the installation of solar panels at the school, we have started receiving refunds on power output instead of receiving bills.

ENVIRONMENTAL FOOTPRINT INDICATORS

Years	Electricity kWh	Water kL
2013-2014	-1,146	0
2014-2015	2,337	
2015-2016	4,983	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2016 were \$17 046.

The major professional development initiatives are as follows:

As we are a rural and remote school, staff members have considerable travel and accommodation costs in addition to registration fees for professional development. This figure represents training for all members of staff.

The major professional development initiatives are as follows:

- Principals Business meetings and conferences
- Dalrymple alliance meetings
- Positive Behaviour for Learning workshop
- Seven Steps Writing workshop
- First Aid training

The proportion of the teaching staff involved in professional development activities during 2016 was 100%.

From the end of the previous school year, 100% of staff was retained by the school for the entire 2016.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2016			
Description	2014	2015	2016
The overall attendance rate* for the students at this school (shown as a percentage).	98%	92%	93%
The attendance rate for Indigenous students at this school (shown as a percentage).			

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2016 for all Queensland Primary schools was 93%.

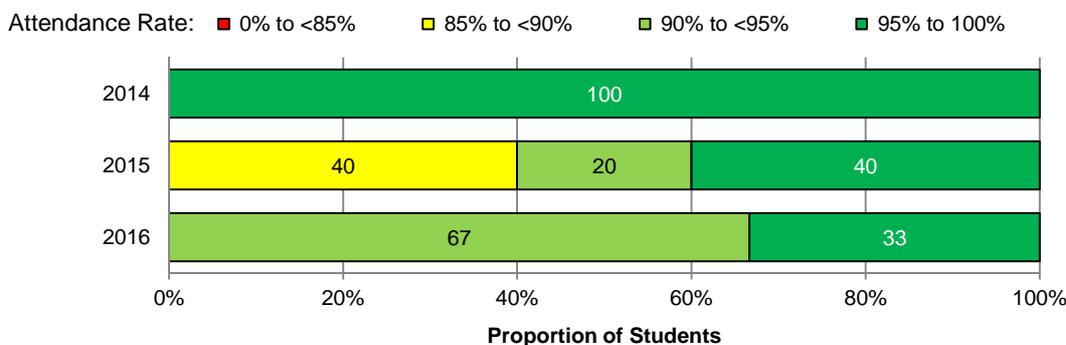

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2014		99%	DW		DW								
2015	92%		DW	DW		DW							
2016	DW	91%		DW	DW		DW						

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

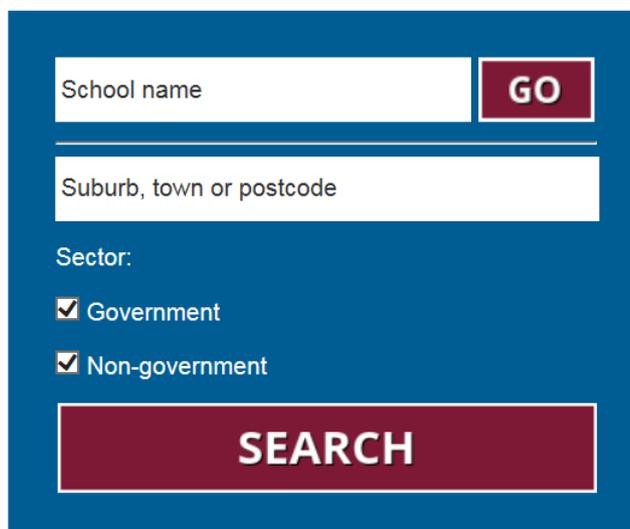

Non-Attendance at our school normally results from either rain or illness. When the roads are wet they are impassable. Therefore, we have set up a virtual classroom and edStudio where students can access curriculum content. Students and teachers can contact one another via email, fax or phone. The planned curriculum is thus kept as uninterrupted as possible and the students can continue with their school routine. Students also have work provided on a memory stick to ensure they have access to work at home, when it is required. Illness is reported to the teacher on a daily basis via a phone call and work is sent home via email if the child is away from school for a long period. Any unexplained absences are followed up with a phone call to the families enquiring about the reason for the absence. Our parents are aware of the importance of students attending school on a regular basis and are familiar with the 'Every Day Counts' initiative.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following **'Find a school' text box**.

Find a school

The image shows a search form titled "Find a school" with a blue background. It contains the following elements:

- A text input field labeled "School name" with a red "GO" button to its right.
- A text input field labeled "Suburb, town or postcode".
- A section labeled "Sector:" with two checked checkboxes: "Government" and "Non-government".
- A large red button labeled "SEARCH" at the bottom.

Where it states **'School name'**, type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the **Terms of Use** and **Privacy Policy** before being given access to the school's *profile* webpage.

School NAPLAN information is available by selecting **'NAPLAN'** in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.
